

NP Procurement categories

Level 1	Level 2	Level 3
Construction	Electrical & Building Automation	<ul style="list-style-type: none"> • Communication • Building Management Systems • Fume cupboard automation • Laboratory inventory • Security & safety • Electrical installations • Fire sealing • Lifts • Lightning • Switchboards
Construction	Ventilation & Building Utilities	<ul style="list-style-type: none"> • Contracts Plumbing • Contracts Ventilation • Cooling Plant and -equipment • Insulation • LAF modules
Construction	Architecture & Work Place Design	<ul style="list-style-type: none"> • Aluminium and Glass facades • Contracts Bricklaying • Contracts Carpeting • Contracts Ceilings • Contracts Floors • Contracts Paintwork • Curtains • Facade Sheets rolling • Fence & Gate • Floors, joint free • Gardener • Gates • Glazier • Joints • Kitchen • Roof covering • Sign boards • Solar screen

Level 1	Level 2	Level 3
Construction	Structural Engineering & Infrastructure	<ul style="list-style-type: none"> • Concrete Contracts • Concrete Elements • Concrete shell drilling and cutting • Construction work • Containers • Demolition • Parking Grounds • Pavilions • Sewer cleaning & inspections • Steel constructions • Tarpaulin, Letting
Construction	Health, Safety & Environment	<ul style="list-style-type: none"> • Measuring of wastewater • Noise, reduction • Sound measurement equipment
Construction	Project Management & Support	<ul style="list-style-type: none"> • Contracts General
Construction	Process & Utility Installation	<ul style="list-style-type: none"> • Contracts, Pipe, steel • PAU, (Pre-assembled units)
Construction	Site logistics & Facility Management	<ul style="list-style-type: none"> • Cleaning • Transport • Transport, crange • Scaffolds • Demolishing & House Cleaning • Pavilions & temporary facilities • Waste Handling • Signage & leaflets
Equipment	Biotec	<ul style="list-style-type: none"> • Boiler plant • Chromatography • Evaporators • Filtration • Processing plants
Equipment	Automation, Equipment	<ul style="list-style-type: none"> • Measuring equipment • Measuring equipment, critical • Measuring equipment, portable • Engines
Equipment	Automation, IT equipment	<ul style="list-style-type: none"> • Computer Hardware • Computer software • Computer supplies • Bar code equipment

Level 1	Level 2	Level 3
Equipment	Utility	<ul style="list-style-type: none"> • Transport Equipment • Agitators • CIP equipment • CIP system • Construction parts • Gaskets • Gasses • Gasses plant for • Hydraulics equipment • Inspection / testing • Lubricants • Measuring Performances • Pipes and fittings • Pneumatic equipment • Powder handling equipment • Pumps • Security equipment • TOC meter • Tools • Transmissions • Transmitters for air • Trimmers • Valves • Vessel equipment • Vessels • Water treatment plants
Equipment	Automation Process Control	<ul style="list-style-type: none"> • Process control • Process control, critical
Equipment	Automation, Component	<ul style="list-style-type: none"> • Electric components • Electric components, critical
Equipment	Pharma	<ul style="list-style-type: none"> • Laf benches
Equipment	Pharma, cleaning	<ul style="list-style-type: none"> • Washing and sterilisation
Equipment	Pharma, up stream	<ul style="list-style-type: none"> • Filling machines • Filtration • Freeze drying • Injection moulding tools • Moulding machines
Equipment	Pharma, Vision	<ul style="list-style-type: none"> • Vision
